Aim

- **Guaranteed Participation** - As with all our grades the development of the player and enjoyment of the game are seen as more important than the result. All players will bat, bowl and wicket keep in every match.
- **Fun** - with an emphasis on cricket skills development- batting, bowling, wicket keeping and fielding.
- **Maximum Involvement, Accelerated Skill Development, Fast Paced & Action Packed.**
- **Positive Attitudes and Behaviours on and off the pitch.**

Grade Objective

This grade is for players in Years 6 at school but talented Year 5's can also be included in Year 6. The grade provide development towards more conventional cricket in Year 7 & 8.

Parents must be aware of risks associated with players playing ahead of their school age.

It is strongly recommended that players in Year 6 do not play above their school year as this would involve playing on an 18 metre pitch.

In Year 6 Teams will move to Year 7 grade conditions from February of the season (this is more conventional cricket and is played on an 18 metre pitch) – the only variance that may apply is that teams may have 8 players but 9 are permitted to be used. Where a team only has 8 players or less the opposition should be asked for a loan fielder/s and a batter/s be given an opportunity to bat twice.

CJCA Sunday Tournaments are restricted to School Years and at Year 6 these are played on 16 metre pitches.

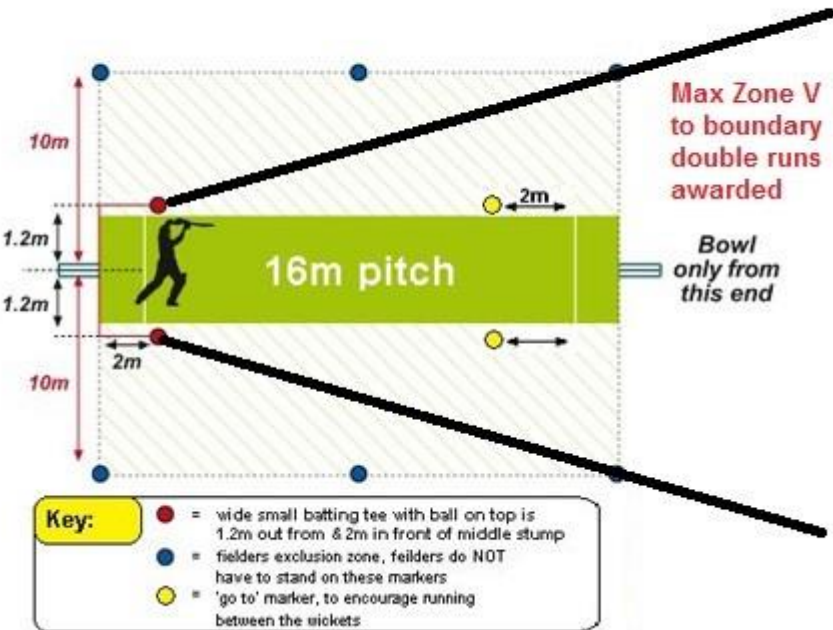

Each of the 3 grades are split into various sections, the number of which will be determined by the number of teams entering the grade. As with all our grades the development of the player and enjoyment of the game are more important than the result.

Emphasis on fun and cricket skills development - batting, bowling, wicket keeping and fielding.

Playing Conditions

Eligibility	Players are encouraged to play in the year group they are currently in at school. Should players wish to play down due to being new to the game or other circumstances Clubs should apply for a dispensation prior to the start of the season detailing the name of the players which team they wish to play for a brief explanation of why a dispensation is required for the player to play DOWN a grade. Players may play up in grade but parents/caregivers must be aware of the risks involved in playing ahead of their current school year.
Start time	All Year 6 grades will start at 9am on a Saturday morning.
Venues	Matches will be played at School, Club or Council Grounds. Parents or Caregivers and Players are asked to respect all grounds and should report any damage (broken windows etc.) to their Club or School Convenor.
Team Size	All pairs cricket grades - 8 a side
Dealing with less than 8 players	Teams with less than 8 players should enquire if the opposition has additional players to balance the teams. Should teams have less than 8 players in Year 6 more players are permitted to bowl 3 overs – no bowler should bowl a 4 th over until all others have bowled 3. Coaches should look to ensure all players have an equal opportunity to bat twice or bowl additional overs throughout the season if necessary. Where possible opposition players should be asked to field to ensure there are 8 players in the fielding team.

Dealing with more than 8 players	<p>In Year 6 if more than 8 players bat, each pair shall bat for 4 overs instead of 5.</p> <p>If more than 8 players are used (10 bowlers max), each bowler bowls a minimum of 2 overs.</p> <p>ONLY 8 PLAYERS MAXIMUM SHOULD FIELD AT ANY ONE TIME – Additional players should be rotated on and off the field</p>
Pitch Length	16 metres
Boundaries	<p>Year 6 – 35 metres or natural boundaries</p> <p>Marked indicators (cones etc.) or a stream, path, another match, anything that is dangerous or stops the forward momentum of the ball that may be closer than these guidelines. If this occurs a four or six is signalled.</p>
Balls	Year 6 Hardball – 142 gram ball from the Kookaburra range.
Equipment	<ul style="list-style-type: none"> • Batters must wear a box, batting pads, gloves and a helmet with a grill. • It is compulsory that wicket-keepers wear a helmet with face guard OR a Cricket Face Guard at all-time due to risks associated with the edges of artificial pitches. • They should also wear a protective box, gloves, & pads on both legs. <p>Each team is required to provide 3 stumps and a ball. This includes stumps suitable for artificial pitches if required or applicable. Clubs/Schools should supply teams with sufficient cones to mark boundaries.</p> <p>Teams need to mark the MAX Zone with cones as per Pitch Map included in Appendix to these Rules.</p>
Match Length	Year 6 – 20 overs per side (one innings each)
Bowling Direction	All bowling from the same end
Run Up Length	Year 6 – 10 metres
Fielding exclusion zones	<p>A 10 metre fielding exclusion zone exists, up to Year 6 these should be marked by cones, where no fielder is allowed inside until the batter <u>has played their shot</u>.</p> <p>This is extended so no fielder may be within 10m of the bowler's end stumps.</p> <p>No runs can be taken when the ball is being passed back to the bowler from the keeper</p> <p>Note that fielders DO NOT have to stand where the fielding exclusion zone markers are placed – just level or beyond the markers.</p> <p>They should also not enter the zone until AFTER the batter <u>has played their shot</u>.</p>

<p>MAX Zone</p> <p>Years 6</p>	<p>In Year 6 this zone exists to encourage players when possible to hit in the “V”</p> <p>It should be indicated by the placement of cones 10 metres either side of the bowlers stumps.</p>  <ul style="list-style-type: none"> • Any run scored off the bat into the 'Max Zone' will be doubled. The Max zone applies to any shot played into the V. • This zone starts if the ball passes the bowlers stumps, goes between the cones at the bowler's end and extends all the way to the boundary. • A ball hit along the ground to the boundary in this zone, is credited with 8 runs. If the ball is hit over the boundary on the full, then 12 runs are scored. • Umpires will signal a MAX shot by rolling one arm in a circle motion. • A maximum of two fielders plus the bowler may field within this zone.
<p>Fielding guidelines</p>	<p>Coaches and Managers are encouraged to rotate fielders through positions so they get an opportunity to field in most positions including wicket keeper.</p>
<p>Batting</p>	<ul style="list-style-type: none"> • One innings of 20 overs each team • Eight batters are placed into pairs numbered 1-4 by coach/captain. • Each pair will bat together for 5 overs • This is a minimum of 30 balls and we would like each batter to face a minimum of 15 balls so batters may need to be told to change ends to achieve this. <p><u>The scorer can advise the umpire when they feel it is getting near the end of the allocated overs and one batter has some catching up on balls faced to do.</u></p> <p>When dismissed, batters do not face the next delivery and always change ends at the completion of each over. The only penalty for being 'Out' is that batters swap ends (this does not apply to 'Run Out') and the bowling team receives 3 bonus runs add to their Batting total as EXTRAS.</p>

	<p>If a 'Run Out' occurs the batting side is allocated all the runs being attempted, provided the batters have gone past each other (crossed) on the final run, whilst the fielding team still get their 3 runs for the wicket. Therefore, if a single was being attempted and a 'Run Out' occurs, they keep the single (provided the batters have crossed) and the run should be allocated to the appropriate batter. If a 'Run Out' occurs on the third run, they keep all 3 runs, provided the batters had crossed on the final run. This is to encourage batters to take runs.</p> <p>The next batting pair must be ready to bat immediately following the previous pair's innings. If a team is carrying an extra 1 or 2 players the number of overs per pair should be reduced to 4.</p>
Dismissals	<p>Year 6 - Players can be bowled, caught, stumped, hit wicket, run out AND LBW (See below).</p> <p>A player is also 'Out' if bails are being used and fail to dislodge after the ball has struck either the base of the stumps or any wicket or has passed between two wickets.</p> <p>If run out, the batter keeps the run being attempted (provided they have crossed), whilst the fielding team gets 3 runs credit for the wicket.</p> <p>PLAYERS REMAIN BATTING WHEN THEY ARE OUT – an out is recorded with a X in the scorebook and the bowler credited with a wicket – catches should be recorded against the player who took the catch in a column of the new scoresheets.</p>
Year 6 LBW	<p>Year 6 – all of above PLUS Back foot LBW applies (see below for explanation)</p> <p>LBWs may only be given when the bowling team appeals and if the ball;</p> <ol style="list-style-type: none"> 1. is pitched in line with the stumps AND 2. hits the batter on the pads in front of the stumps, before hitting the bat AND 3. the ball was definitely going to hit the stumps AND 4. the player has gone <u>onto the back foot and stayed on the back foot.</u> <p>This means the player cannot be given out if the ball is pitched outside the line of the stumps (leg or off side) OR has played forward - even if the player is hit on the back pad or foot. Whilst an LBW can be given under these rules, <u>the intention for it only to be awarded when there was no doubt whatsoever in the umpire's mind</u> that the above conditions applied. ANY doubt – not out.</p>
Dismissal Values	<p>Each dismissal shall have a value of the 3 runs to the bowling team to be added to their batting score as EXTRAs.</p>

<h1>Bowling</h1> <h2>Year 6</h2>	<ul style="list-style-type: none"> • Bowl from one end only. • A bowler may not bowl two overs in a row. • There will be a maximum of 8 deliveries in each over so 'Wides' and 'No Balls' ARE re-bowled. • Maximum of a 10 meter run up. <p>In Year 6 wides or no-balls should be scored as 1 run plus any additional runs scored – in the case of wides (byes) and in the case of no-balls additional runs (byes, leg byes or runs) scored.</p> <p>Where a wide or a no ball is bowled on the 8th ball of an over, 2 runs will be scored as no 'Free Hit' can be given as the maximum deliveries in an over are 8.</p> <p>Wides and No-ball in Year 6 shall be rebowled up to a maximum of 8 balls in an over except the last over which must comprise of 6 legitimate balls.</p> <p>Where a team has 8 players, four bowlers bowl 2 overs and four bowl 3 overs – no bowler may bowl a 3rd until everyone else has bowled 2. If more than 8 players are used (10 bowlers max), each bowler bowls a minimum of 2 overs.</p>
<p>WHAT CONSISTUTES A WIDE OR NO-BALL</p>	<p><u>A “Wide” Ball will be called if ...</u></p> <p>Year 6 - Any ball that passes outside the offside cone and is not hit by the batter shall be deemed a 'wide'. Any ball passing halfway towards the legside and is not hit by the batter should also be called wide.</p> <p><u>A No Ball will be called if ...</u></p> <ul style="list-style-type: none"> • the ball bounces TWO or more times or rolls on the pitch before reaching the batters popping crease. (Bowlers can bowl from a shorter distance and bowl up to 3 balls underarm - one bounce - if required). • if the delivery would have passed over the waist <u>on the full</u> at normal batting stance. • if the delivery would have passed over the shoulder at normal batting stance. • <u>if players (not the bowler) encroach into the fielding exclusion zone before the ball is hit.</u> <p>Bowlers MUST be <u>coached</u> to bowl with a straight arm and avoid ‘throwing’ the ball. Those that find this difficult should bowl from a standing, side on position, starting with a straight arm against their back leg and aim to release the ball at the 12 o’clock position. There is no penalty for a thrown delivery at this grade.</p>
<p>NO-BALL MANAGEMENT</p>	<p>No Balls are not normally called for throwing but players must be encouraged to bowl with a straight arm.</p> <p>We do not want a bowler to achieve ‘an unfair advantage’ by using an <i>obviously</i> incorrect action, so if a wicket is gained or it is felt that a batter is being intimidated then the umpire should take action. <i>i.e. a batter should not be given out from an obvious thrown ball.</i></p> <p>Ideally a word with the opposition coach/umpire will be sufficient for them to have a word with the bowler as soon as the action is noticed. We do not want to discourage bowlers from practicing in a match but also need to protect batters. In the extreme, a no ball can be called, if an obvious thrown delivery results in a wicket being taken.</p>

<p>FREE HITS following NO-BALLS</p> <p>Year 6</p>	<p>If a NO BALL is bowled in the first to SEVENTH ball of an over, the next ball is a 'Free Hit'.</p> <p>In the case of a 'Free Hit', the fielding team must stay in the positions they were in at the moment the delivery was made. Minor changes to the field placements may be made when Left/Right handed batters have changed ends.</p> <p>The only way a batter can be out from a 'Free Hit' is Run Out. To be run out you must be attempting a run, or started to and changed your mind, simply being out of your crease and being 'stumped' does not apply as a dismissal on a free hit.</p> <p>If a batter hits a Free Hit delivery that is a no ball, they score 1 run plus whatever runs are scored from the shot. The next ball remains a FREE HIT BALL. If the batter decides to leave or misses a delivery that is deemed a no ball, they score 1 run for the no ball and the next ball is a 'Free Hit'.</p> <p>If a batter hits a delivery that would have been a wide then it becomes a 'normal' delivery and they only score runs made from that shot and may be out in all the normal ways. If the batter decides to leave or misses a wide delivery, they score 1 run for the wide plus any they may run and they could score more from the next ball which remains a free hit.</p> <p>Where a wide or a no ball is bowled on the 8th ball of an over, 2 runs will be scored as no 'Free Hit' can be given as the maximum deliveries in an over are 8.</p>
<p>Scoring</p>	<p>Score sheets are available from the CJCA website – see links in GRADE INFO section.</p> <ul style="list-style-type: none"> • Each team's score starts at Zero. • 3 runs are added to the bowling side for each dismissal obtained. • No extra runs scored for wide's or no balls other than the runs obtained from hitting off the cone.
<p>Health and Safety</p>	<p>Pre-match each coach should ensure the field is fit for play.</p> <p>Coaches are to ensure fielders are a safe distance from the facing batsmen (and outside the fielding exclusion zone) and wearing the appropriate safety equipment.</p> <p>Should coaches or managers notice any hazards either on the ground they are playing at or in the wider park they should inform their Club Convenor who will communicate with the CJCA.</p> <p>Should players be significantly injured during a match the coach/manager should advise the Club/School Convenor this includes any injury that requires hospitalization or is a head injury.</p> <p>All teams should be supplied with a First Aid Kit.</p>

Draws	<p>Draws will be available through the link on our website from Tuesday each week.</p> <p>If there are changes to draws after they are published Junior Club Convenors will be informed.</p>
Results and Points Allocation	<p>Matches may be scored via the CricHQ app or entered from a manual scoresheet after the match.</p> <p>As more than 8 wickets may be taken under the new Pairs format all wickets taken should be recorded against bowlers and Gross scores of batters recorded.</p> <p>At a minimum a match summary i.e. team score totals with winner and losers identified should be entered into the CricHQ system. Coaches, Managers or Scorers wishing to be able to record or enter results should contact their Club or School Convenor so they can be given user rights to do so.</p> <p>Points for games will be:</p> <ul style="list-style-type: none"> • Five points for a win. • Three points each for a tie or weather abandoned game. <p>Points will accumulate from October to December to establish the pre-Christmas winning team/s. Points will accumulate from February to March to establish the New Year winning team/s.</p> <p>There is also a shield available in this grade. The holder carries over from the previous season and carries it with them until they lose it. The winner should transport it in the bag provided and make sure it is available at the next match. The holder should notify the grade manager at the end of each half season where it will be stored, so we know where it is for the next round of matches.</p>

General:

School years - for each grade (except Year 8) this means a player remains eligible for the WHOLE season in that grade if eligible for that grade in October.

IN YEAR 6 GRADE CONDITIONS WILL CHANGE TO YEAR 7 CONDITIONS AFTER CHRISTMAS – THIS ALLOWS PLAYERS TO MOVE TO PLAYING ON 18 METRE PITCHES FOR 2 CALENDAR YEARS BEFORE GOING TO SECONDARY SCHOOL WHERE THEY WILL PLAY ON FULL LENGTH PITCHES FOR THE FIRST TIME AND ALSO MATCHES THE CONDITIONS OF CJCA SUNDAY TOURANMETNS & INTERDISTRICTS MATCHES AT THIS AGE/STAGE.

Over-arching Rules and Guidelines: Each grade is to provide players with a fun, fair & learning game with a connection to cricket as close as the age group, player abilities & time allow.
MCC Laws of Cricket apply unless otherwise stated. In all cases, the stated rules are to be applied.
(Coaches seeking rule changes should provide their suggestions to the CJCA rather than litigate rule differences each week with their new opposition).

Players: All players participating must be eligible or have written CJCA dispensation viewable to the opposition coach prior to play. Such a dispensation letter will be on CJCA letterhead and be signed by either the Grade or General Manager or the President of the CJCA. Note that while there are Girls only grades, girls can play in any grades.

Dress: Players are to dress in white or in Club / School colours as approved by the CJCA. (Club / School colours will be approved only where such colours will not obscure the ball in the colour of the bowler's clothing.) Sun protective hats are desirable.

Gear: Each team is required to provide 3 stumps and a ball. This includes stumps suitable for artificial pitches if required or applicable. Clubs/Schools should supply teams with sufficient cones to mark boundaries.

Defaults: Teams with reduced numbers should still seek to play using opponent players to assist in the field. If this is not possible and a team has to default, please advise Mike Fisher - Phone 2818961; Email: mfisher@christchurchmetrocricket.com as soon as possible.

Code of conduct: The code of conduct published on our website applies to all players, coaches, parents and others at all games.
