

Intermediate grades

BOYS Year 7 & 8
20/20
Grade Conditions

As at 21 November 2022

Full conditions as at the start of the 2022/23 season

Please print a copy of these and have available on match day.

View and print a score sheet for this grade from the link in the Grade Info website page (www.cjca.org.nz) for this grade.

Aim

- **Maximum Involvement, Accelerated Skill Development, Fast Paced & Action Packed.**
- **Positive attitudes and behaviour on and off the pitch.**
- **“NOTHING CAN JUSTIFY A WIN-AT-ALL COSTS APPROACH”**

Grade Objective

These conditions are for 20/20 rounds played on Friday nights due to long weekends or on other mid-week nights.

Playing Conditions Summary

- Boys or Girls primarily Year 7 or 8 at the start of the season
- 9.00am start **Toss to be done by 8.45 (unless grade is played mid-week)**
- Games take approx 3 hours approx 12.00pm finish on Saturday morning.
- 9-a-side (same as 30 over conditions)
- **20 overs per innings - one innings per side (8 ball max per over except last)**
- 5 overs bowled at the same end. No bowler bowls successive overs.
- Max 3 overs per bowler. **No bowler may bowl a 3rd over until ALL others have bowled 2.**
- **6 ball minimum for all batters – THREE Bonus runs for the bowling side for dismissals inside the first 6 balls for each batter. Batters may be fully dismissed from the 7th ball – NO BONUS RUNS FOR THAT DISMISSAL.**
- **WHEN DISMISSED WITHIN THE FIRST 6 BALLS THE BATTER SHOULD CHANGE ENDS WITH THE NON STRIKER**
- Compulsory batting retirement after facing 25 legitimate deliveries **INCLUDING** wides and no balls. Once all players have batted, those batters who have been retired can return in the order they retired **with the exception of those dismissed during their “Grace Period”**. Coaches are NOT allowed to retire batters earlier than these delivery limits unless they are playing with more than 9 players and spreading the innings equally. **Last Man Standing standing applies.**
- **Batters dismissed during their “Grace Period” may not return as a retired batter if they reach their retirement limit.**
- NO LBW's
- Wides and no-balls score 1 run plus any extra runs scored and are re-bowled up to a maximum of 8 balls per over, **except in the final over of each innings, when 6 legitimate balls must be bowled.**
- The ball after a NO BALL becomes a 'free hit' so the only dismissal mode is run out. If the last ball (up to 8) of an over is a wide or no ball then 2 runs are awarded as no free hit for the no ball can occur.
- Tighter legside wide's – halfway to 'Test Match'
- 142g leather ball from approved manufacturers
- 18m pitch
- Fielding exclusion zone
- Boundaries are set at 40m

Ball

A 142g leather ball from the Kookaburra range must be used.

Fielding Restrictions

There are to be no players fielding within ten (10) metres of the batter in an area from point, forward of the wicket in a circle to down leg side of the batter. So slips, gully and wicket keeper may be within 10m but no leg slips, silly point / mid off or on, in front or behind the batter.

Batting

Batters who are dismissed within the first 6 balls they face in their innings will not be fully out instead they shall remain “IN” and the bowling side shall receive a bonus 3 runs to be added to their batting score. Batters may be fully dismissed from the 7th ball – NO BONUS RUNS FOR THAT DISMISSAL.

Taking into account the above rule Players bat until they are 'Out' or until the end of the over in which they have faced 25 balls (**INCLUDING** wides and no balls) when they must retire. Retired batsman can return to bat, in the order that they retired and once all other batsman have been 'Out' or retired **with the exception of those dismissed during their “Grace Period”**.

Batters dismissed during their “Grace Period” may not return as a retired batter if they reach their retirement limit.

A team's batting score is always complete when the available overs have been bowled or when all 9 batters have lost their wicket.

Last batter standing - A single remaining batter continues batting, changing ends as necessary to receive strike. Only the not out batsman can face the bowling. The last batter out remains at the crease to play like a non-striker. Either batter may be run out to end the innings. Where retirements occur, they may only take place at the end of an over.

If a team is all out or reached its target and the overs are not completed, it is with strong encouragement by the CICA, the remaining overs be bowled. In such cases, the batters to be used again will be in the order of those facing the least balls in their innings and where this is the same, the order of their original batting position applies. **Further runs scored don't change the winning target or result (original score should be circled) but will enable players on both sides to develop further.**

Players can be 'Out': bowled, caught, run out, stumped, hit wicket and LBW – See LBW notes.

LBW to be applied in this grade

LBWs may only be given when the bowling team appeals and if the ball;

1. is pitched in line with the stumps AND
2. hits the batter on the pads in front of the stumps, before hitting the bat AND
3. the ball was definitely going to hit the stumps AND
4. **the player has gone onto the back foot and stayed on the back foot.**

This means the player cannot be given out if the ball is pitched outside the line of the stumps (leg or off side) OR has played forward - even if the player is hit on the back pad or foot.

Whilst an LBW can be given under these rules, the intention for it only to be awarded when there was no doubt whatsoever in the umpire's mind that the above conditions applied. **ANY doubt – not out.**

Bowling

- **Max 3 overs per bowler.** Coaches are to ensure that all team members bowl the same number of overs during the season - on an equivalent availability basis. **No bowler may bowl a 3RD over until ALL others have bowled 2**
- 5 overs bowled at the same end to speed up the innings. **No bowler can bowl successive overs.**

A Wide will be called if ...

- **Any ball that passes a batsman so wide that he is prevented from a reasonable opportunity to make contact with the ball is to be called a wide.**
- **Normal test match wides on the offside and halfway to that on the legside should be the guide.**
- If the ball is struck by or hits the batter then it is not a wide. The batting side is awarded 1 run for each wide or no ball, plus any additional runs scored. However, in the last over, 6 legitimate deliveries must be bowled. Upon the call of "wide" the ball shall remain live (i.e. batsmen can run). No extra balls are bowled for wides or no balls, except in the last over.

A No Ball will be called if ...

- the ball bounces **TWO or more times** or rolls on the pitch before reaching the batters popping crease.
- if the delivery would have passed over the waist on the full at normal batting stance.
- if the delivery would have passed over the shoulder at normal batting stance.
- if players (not the bowler) encroach into the fielding exclusion zone before the ball is hit.
- no balls are not normally called for throwing but players should be encouraged to bowl with a straight arm.
- A no-ball should also be called in the unlikely event of 3 or more players fielding behind square on the legside at the point of delivery

No Balls are not normally called for throwing but players must be encouraged to bowl with a straight arm. We do not want a bowler to achieve 'an unfair advantage' by using an **obviously** incorrect action, **so if a wicket is gained or it is felt that a batter is being intimidated then the umpire should take action.**

Ideally a word with the opposition coach/umpire will be sufficient for them to have a word with the bowler as soon as the action is noticed. We do not want to discourage bowlers from practicing in a match but also need to protect batters. In the extreme, a no ball can be called, if an **obvious** thrown delivery results in a wicket being taken.

Free Hits

- If a **NO BALL** is bowled in the **first to SEVENTH** ball of an over, the next ball is a 'Free Hit'.
- In the case of a 'Free Hit', the fielding team **must** stay in the positions they were in at the moment the delivery was made. Minor changes to the field placements may be made when Left/Right handed batters have changed ends.
- The only way a batter can be out from a 'Free Hit' is Run Out. To be run out you must be attempting a run, or started to and changed your mind, simply being out of your crease and being 'stumped' does not apply as a dismissal on a free hit.
- If a batter hits a **Free Hit** delivery that is a no ball, they score 1 run plus whatever runs are scored from the shot. The next ball remains a FREE HIT BALL. If the batter decides to leave or misses a delivery that is deemed a no ball, they score 1 run for the no ball and the next ball is a 'Free Hit'.
- If a batter hits a delivery that would have been a wide then it becomes a 'normal' delivery and they only score runs made from that shot and may be out in all the normal ways. If the batter decides to leave or misses a wide delivery, they score 1 run for the wide plus any they may run and they could score more from the next ball which remains a free hit.
- Where a wide or a no ball is bowled on the 8th ball of an over, 2 runs will be scored as no 'Free Hit' can be given **as the maximum deliveries in an over are 8**.

Scoring

However, on the 8th ball of an over, 2 runs are awarded for wides & no balls (plus any actual runs scored). Dismissals of batters inside their first 6 balls should be recorded and credited to the bowler. A total of the number of such dismissals should be noted and multiplied by 3 and added as EXTRA's to the Bowling teams Batting total.

Safety

Batters must wear a box, batting pads, gloves and a helmet with a grill. It is compulsory that wicket-keepers wear a helmet with face guard OR a Cricket Face Guard **AT ALL TIMES**. They should also wear a protective box, gloves, & pads on both legs.
