

# **CHRISTCHURCH JUNIOR CRICKET ASSOCIATION 2024 SPRING FESTIVAL**

**Major Sponsor**

It is hoped that skills developed at this Festival will provide players with added confidence to regularly compete at a high standard in their respective age groups and so increase their levels of enjoyment and commitment.

CJCA's primary objective for these festivals & subsequent matches is to provide all selected players with opportunities to further develop their skills in higher levels of cricket. While the player mix is likely to be adjusted to the team's winning tactics, strategies deployed for each team will strive to have all players develop at least the skills for which they were selected.

The festival has been the start of many players' careers at levels above Club and School teams and we are confident that more players with the talent and temperament to go on to the very highest level of cricket are playing in this festival.

This festival continues the use of artificial wickets as we feel this is the best surface to enable their skills to develop in Year 8 we attempt to source grass wickets to best prepare our players for the January Festivals which will be held on grass pitches in early January each year.

We thank our current Year Managers including Dwayne McCormick (Year 6), Rob Dixon (Year 7) and Matt Shore (Year 8) and Cat Quinn (Girls). Many thanks to them and all the other volunteers that offer their help. We simply could not run these festivals without you.

The CJCA Executive is extremely grateful for all the hard work put in by the many volunteers who help make this festival take place. These include team managers, selectors, CJCA Executive members and umpires. Please remember that, as is the case in all sports, the Umpire's decision is final and must not be debated or challenged.

A special thanks is reserved for our primary sponsor - Cricket Express, who are a significant supporter of Junior Cricket in Christchurch. Gareth Greenfield and his team - a very big thank you!

Enjoy the festival!

***Rob Wilkinson - General Manager***

## **BOYS SHOULD REPORT TO THEIR GAMES NO LATER THAN 9.30AM – TEAM COACHES/MANAGERS MAY REQUEST YOU GET THEIR EARLIER.**

### **Selection process for this festival and the additional teams...**

- Players are selected for this festival by attending the appropriate assessments where each player is assigned to a lane and evaluated by a selector, the grade manager, and from the Spring Festival an Independent qualified representative (in Year 8).
- This year our Independent Selector is Mike Dunlop a former Chair of the CICA, coach of Festival teams and highly qualified Coach. Given the lower than numbers in Year 8 registrations for January this role may not be as necessary as in previous years.
- The grade manager and independent representative ensure consistency and uniformity of grading by the different lane selectors. The independent representative (at Year 8) also ensures all players are evaluated fairly and the decision making process is transparent, rigorous, and defensible.
- Players are marked for batting, bowling and wicket keeping, and additional notes relevant to the selection process are made. Immediately following the trial, selectors meet and choose the various teams.
- Unfortunately, if we have more players than positions, some players may miss selection for particular team/events that they are targeting

## **THE NEXT OPPORTUNITY**

### **Selection for further cricket representation...**

- This selection process is similar to that for the festival with players evaluated by team coaches for their batting, bowling, fielding and wicket-keeping performances and skills.
- **Attitude of the player and contribution to the team are also important in selection for these teams.**
- This process allows for all performances and is overseen by the grade manager and an Independent representative **in Year 8** from Spring onwards.
- All teams are selected purely on merit based on the player performances, technique, attitude, and detailed analysis and feedback from the coaches.
- The selectors ignore which club or school the player comes from and there is no obligation to spread selections around to ensure all clubs and schools are represented.

## **MATCH FORMATS**

**SAFETY PLAYING CONDITION ALL GRADES**

**DANGEROUS BOWLING**

Should a No Ball Delivery as described in the playing conditions be delivered that could have hit the batter a No Ball should be called and the bowler given a warning for dangerous bowling – should the same bowler deliver another such delivery during the game the bowler should then receive a 2nd warning and be not permitted to bowl again in that match.

# MATCH FORMATS -

## YEAR 6 – 8 a-side

### PLAYERS SHOULD REPORT BY 9.30AM (9.15am on Day 1)

#### Batting:

As this age grade will be batting in PAIRS - Coaches should rotate the placement of Pairs within their batting line up to ensure that the same pairs are not always asked to face the new ball – a new ball will only be issued to each team at the start of each day so will be used for both matches on each day.

#### Bowling:

Each player to bowl approximately the same number of overs throughout the festival. All players should be given the opportunity to bowl 2 overs per match. No bowler should bowl a 3<sup>rd</sup> over until all others have bowled 2 (this should only occur if a keeper wishes not to bowl).

<b>Game Start</b>	10:00 am & 1.15pm (approx.)	<b>Batting</b>	Batters – each batting pair will bat for 4 overs. Each dismissal will earn the bowling team 3 bonus runs.
<b>Overs</b>	2 x T16 on all days	<b>Over length</b>	Maximum 8 balls (except last over)
<b>Pitch Length</b>	16 m	<b>Bowlers</b>	Bowlers: 3 overs max per game, min 10 in festival.
<b>Boundaries</b>	35 m	<b>LBW</b>	Backfoot staying back only
<b>Ball size</b>	142 g leather	<b>Helmets</b>	Compulsory – CICA rules apply
<b>No Balls</b>	For Height, 2 bounces AND Line Infringements – to be followed by Free Hit except on 8 <sup>th</sup> ball of over. No ball on 8 <sup>th</sup> ball scored as 2 runs.	<b>Wides</b>	Full Off-side – Half Leg Side Wide on 8 <sup>th</sup> ball of overs except last to count as 2

## LBW YEAR 6

#### LBW – Back Foot

LBWs may only be given when the bowling team appeals and if the ball (1) is pitched in line with the stumps AND (2) the player has gone onto the back foot and stayed on the back foot AND (3) hits the batter on the pads in front of the stumps, before hitting the bat AND (4) the ball was definitely going to hit the stumps. This means the player cannot be given out if the ball is pitched outside the line of the stumps (leg or offside) OR has played forward - even if the player is hit on the back pad or foot. Whilst an LBW can be given under these rules, the intention for it only to be awarded when there is no doubt whatsoever in the umpire's mind that the above conditions apply... ANY doubt – not out.

#### No Balls – Height or two Bounces

(1) Any delivery which passes, or would have passed above shoulder height when the striker is standing in his or her normal position shall be called a “No Ball”. (2) Any delivery that passes on the full above waist height of a striker standing in his or her normal position shall be called a “No Ball”. (3) Any delivery that bounces more than once, before the batter in their normal stance at the crease. (4) A no ball or wide will be scored as one run to the opposition team.

## MATCH FORMATS - Year 7 - up to 11 a-side (9 ONLY FEILDING)

**Batting:** Full rotation – each player to bat in the top, middle, and lower orders. All players are to be divided into three pods of 3 or 4 players each. Pods will remain unchanged for the three games, and each pod will bat in the top third, middle third and bottom third of the batting order. Coaches can move players within the pod from match to match. Coaches should place a mix of batting talent in each pod so to avoid all the weaker batters being in the top order when it is that pods turn to bat in the top third.

By the end of Day 2 all players should have had an opportunity to bat in each of the three thirds of the batting order.

<b>Game Start</b>	10:00 am  (approx. 1.45 for Game 2 on 1 <sup>st</sup> TWO days)	<b>Retirements</b>	20/20 (25 ball retirements) 40 overs (50 balls retirements).  Can only return when the batting order is complete. LAST MAN STANDING.
